THE CONNUMACH

PRESENTED BY THE

SENIOR CLASS

OF

CONEMAUGH TOWNSHIP

HIGH SCHOOL

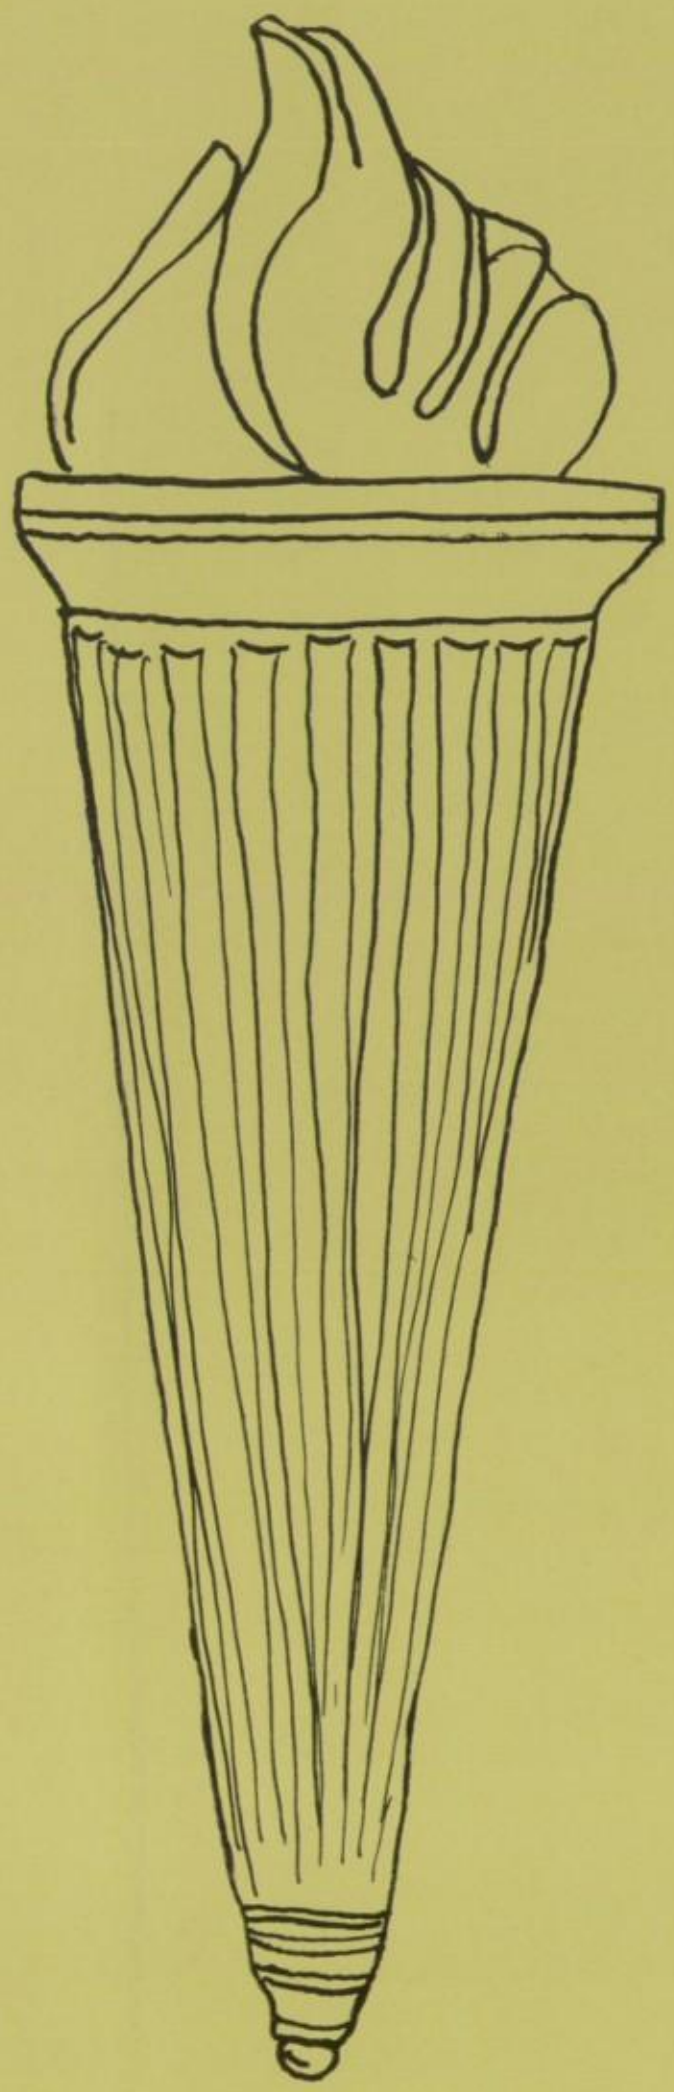
DAVIDSVILLE, PENNSYLVANIA

VOLUME XXI

Alma Mater

Oh Conemaugh, with spacious halls and campus bright and green,
Our fondest memories will remain with each endearing scene,
We'll ever pledge our loyalties, devoted hearts to you,
To Thee, our Alma Mater, we'll ever more be true,

Hail, Hail, the Red and Black,
Hail to our school with a cheer,
We give our best to Conemaugh,
Whose fellowship we hold so dear.



DEDICATION

We, the class of 1959, carry a torch. Our torch was lit by the aid of scholarship, friendship, and sportsmanship – the guiding factors in the process of education. Occasionally we stumbled, leaving the torch fall, its light barely flickering. This left scars on our path and on those who followed the path. But as our quest for knowledge was fulfilled our torch was again uplifted, its blazing light making way for the future. The light of our torch has led us in these past twelve years, and will continue to make the way bright for those who follow.

Let us hope that the blaze of our torch shall be ever burning, not only within ourselves, but also within the hearts of those who strive to light the paths of education.

ADMINIS

When the members of the class of "59" look back on the years they spent at Conemaugh Township, they will have many memories. These memories are sure to include the faculty and administration. They will remember the excellent guidance and supervision of Dr. Blough, Dr. Etsweiler, and the rest of the faculty. Some students will regret these memories because they paid little attention to the guidance offered them, but wise students understood and respected the work of the faculty and administration. Scholarship is supposed to be the main purpose of schools. Because of the work of our faculty and administration we can say scholarship is the main purpose of our school.

TRATION

SUPERVISING PRINCIPAL

Dr. Telford B. Blough

Last year we paused to look back at twenty years of Conemaugh Township High School history. It was a good twenty years, filled with great problems and equally great accomplishments. This anniversary was something of a milestone, a time of reckoning.

Now we look ahead. What of the next twenty years?

As this is written the Board and staff are completing plans for new elementary schools and additions and alterations to the high school. We believe that better buildings will help provide a better education for the children of our community. Our citizens have approved the merger and now our Conemaugh Township administrative unit is complete. We can plan for the future with confidence. With better facilities from first grade to twelfth, renewed emphasis can be placed on good teaching and serious learning.

In America, educational planning is directed at the full development of each individual. This is neither flippant sentimentality nor selfish materialism. It is an ideal worthy of devotion.

We hope that our schools in cooperation with your home, church and community have given *you* the beginnings of a successful life. As you leave CTHS, believe me, our hearts go with you and we wish you well.

Dr. Telford B. Blough

PRINCIPAL

Congratulations to all students of Conemaugh Township High School who have advanced one step forward in their educational careers during the past year. Your administration and your teachers realize this has been a busy time—and for good reason. You are in the limelight more than any previous teen-age group in past history. You have been encouraged to delve deeply into strategic subjects and also to group ideas that were conceived by the master minds of our generation. You will have the responsibility of a crucial and fast moving era of history and every effort is being made to prepare you for that time.

These responsibilities of tomorrow will present many new opportunities; but regardless of where you may fit into the pattern of life, how much time, effort or money is expended for that goal, or what type position you attain, there is but one mark that will determine your place among men—the mark of quality. May the quality of your thinking, your work and your actions speak highly of you and your alma mater.

DEPAR

Schools are established to educate young people and prepare them for the future. In our school six courses are offered in the varied curricula. The courses are divided into different departments. Each department has a special field in which to educate the student. You can readily see the importance of departments in scholarship and education.

TIMENTS

COMMERCIAL

Mrs. Statler dictates to transcription class.

Discussing a law case in Mr. Littlejohn's law class.

The commercial course is one of the main courses in our school. Under the excellent guidance of the teachers in the commercial department students learn the fundamentals of a business career. Typists, stenographers and private secretaries are graduates from the commercial department. Eleven commercial classes are offered ranging from the study of business law, to filing and typing, to the practical use of the dictaphone. When commercial students look back on the years they spent at Conemaugh Township, they will clearly remember many days spent in the Commercial department and the great benefits derived from their time and work.

Learning to use the key-driven calculator in Mr. Dyer's JBT class.

ENGLISH

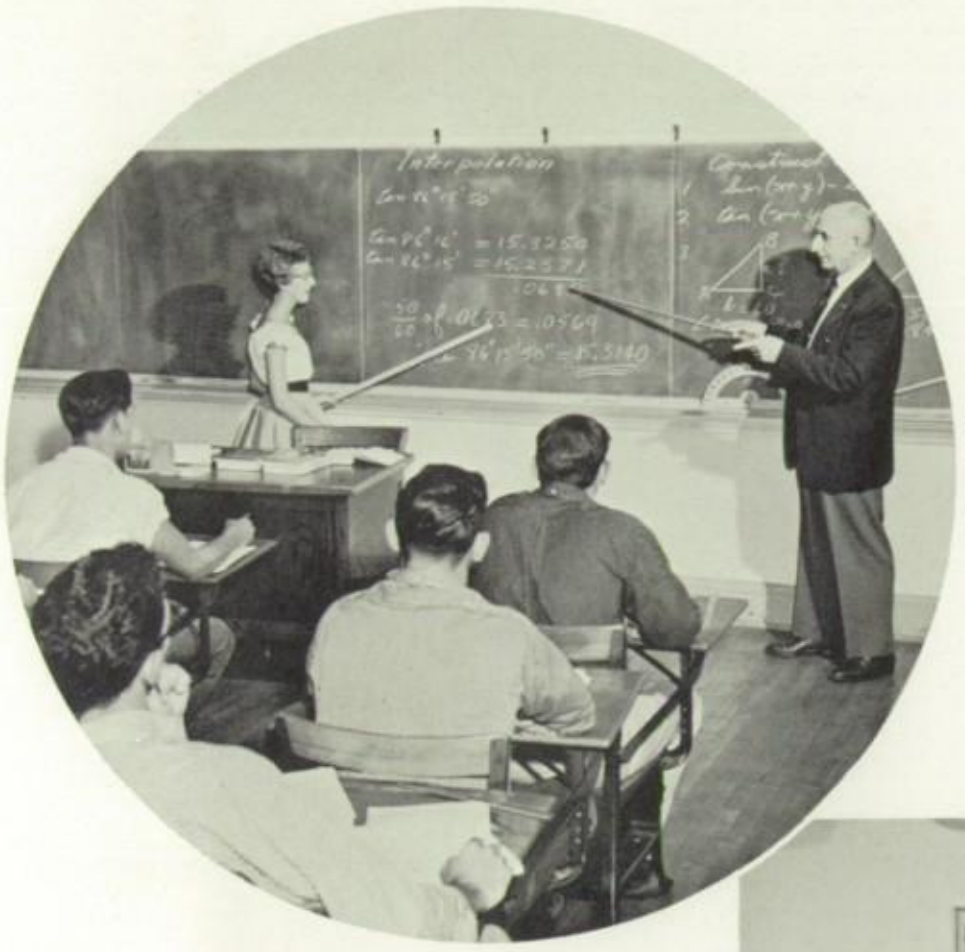
Mrs. May's class studies early English Literature.

Miss Will checks a sophomore's grammar paper.

Mr. Vizzini helps the freshman start their senior high school English career.

One of the most important departments in our school is the English department. Correct usage and grammar are important in securing jobs and preparing us for our future careers. In English class students became familiar with spelling, diagramming, speaking and writing themes. Literature is also a part of the English course. Students worked their way through American and English Literature, which included the study of classics, poems, short stories and novels.

MATHEMATICS



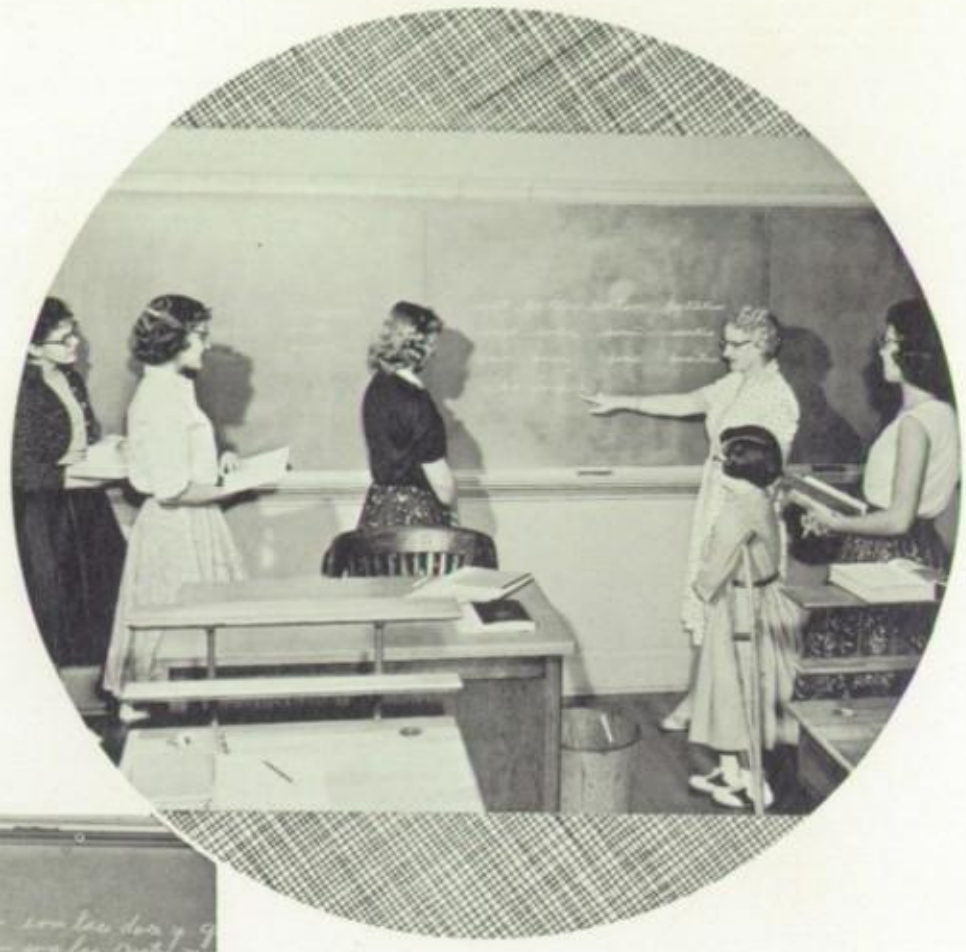
Helen Baraniak helps Mr. Greninger teach trig class.

The sophomores work on lever problems in algebra II class.

Mr. Svarney explains some fundamentals of math.

In the atomic age we are living in, mathematics is of great importance. Without math, calculations could not be made, discoveries and inventions may not have been made, and scientific progress would not have advanced at such a rapid rate. The math department at CTHS is doing its job in promoting would-be engineers and mathematicians. Various phases of math, algebra, plane geometry and trigonometry are taught by well-trained teachers.

LANGUAGES



The Latin II class has many things to learn.

Miss Kaufman's Spanish class is made interesting by some Spanish items.

Here are some Romans from the annual Latin Banquet.

Academic students who choose a language will always remember the struggling with Latin or Spanish, the foreign languages offered in our school.

Latin students remember hours of work memorizing, going through declensions, conjugations and genders, but they remember too the good times at the Roman Banquet, and on field trips to Buhl Planetarium.

Spanish students remember Spanish class, a mixture of fun and work. Conjugating verbs was a part of Spanish class many students would have gladly done without. In Spanish class students were taught the wonders and beauties of the customs of Latin America.

SCIENCE

Mr. Kaufman helps these students solve many a problem in physics class.

Kay Liska, Evelyn Jurestovsky, and Carol Schmidt seem to be explaining something in anatomy class.

These Freshman study the elementary scientific principles and learn how to apply them in everyday living.

Academic students will remember that an important part of their curriculum was the course in science. Science was started in ninth grade with general science, an overall picture of the science world. Specialization started in tenth grade, where students studied the life of plants and animals in biology. Juniors were taught the composition of matter and why chemical reactions take place in chemistry. In their senior year those who wanted to further their scientific knowledge took physics, the study of physical changes in matter and energy. Science was one of the more difficult subjects to master, but its benefits were well worth the work.

SOCIAL STUDIES

In geography class students learn to study and use many, many maps.

The use of maps helps the sophomores in American History class.

Discussing current events is an important part of Problems of Democracy class.

In order to make better citizens in an ever changing world the study of history is necessary. In history class students learn the basis of our government, how to solve problems, and facts about the development of civilization down through the ages. We all face problems sometime in our life. The study of history helps us to solve these problems. The main job of the social studies department is to prepare students to be future citizens worthy of the privileges granted them.

AGRICULTURE AND WOODSHOP

Someday these Future Farmers will be supplying the food needs of people all over the country.

The shop classes at CTHS help many boys earn their future living.

Busy students preparing for a busy world.

The shops at Conemaugh Township High School serve two purposes. They give boys an opportunity to work with wood and metal, and they teach others a vocation they can pursue after graduation. Best known of the vocational shops is the agriculture shop which teaches future farmers such things as animal husbandry, truck farming, dairy farming, genetics, conservation and farm mechanics. Another job of the "ag" boys is taking care of the trees and shrubbery on the campus and selling various plants. These boys are organized into a club called the Future Farmers of America.

HOMEMAKING

Many delicious foods are prepared in this busy room.

Sewing class helps these girls stay well dressed and neat.

Fashion, fads, foods, and fun are just a few of the wide variety of subjects offered to girls by the homemaking course. Classes in this department teach personal grooming, planning, preparation and serving of food, clothing construction, child care, textiles, etiquette, and planning, managing and furnishing the home. The cooking classes obtain practical experience by helping with banquets, teas and bake sales. The girls participate in such activities as the State Farm Show and various contests. Many of these girls are also members of the local chapter of the Future Homemakers of America.

A worth-while organization — The Future Homemakers of America.

Art class teaches students to develop their artistic talents.

ART

In the art department students with artistic abilities learn to express themselves. Colors, oil paintings, designs using contrast, repetition, harmony and poster projects are a few fields of art taught in our school. In art class students also learn proportions of art along with color, form, design and lines.

LIBRARY

The library is an indispensable part of our school, closely associated with the English department. Information and reference work can be done here. Newspapers and magazines are made available in the library to keep students up to date on world happenings. But as most students will remember, much of the time in the library was spent reading and enjoying good books and short stories.

The library is an essential part of school life.

This class looks interesting.

SPECIAL EDUCATION

In the special classes at Conemaugh Township, the academic work is divided into three main categories: Language arts, mathematics, and social studies. Much stress is placed on the ability to read. Better students read aloud to increase their ability. Math is taught by practical usage. This class takes care of the popcorn stand at the football games each year. This gives the students an opportunity to learn by experience.

GUIDANCE

One of the most important departments in school is the guidance department. We all will remember the helpful guidance of Mrs. Wonder, Miss Lohr, and Mr. Beckley, who helped us realize our interests, aptitudes, and capacities. After showing us our abilities the counselors suggested courses of study to prepare us for the future. Through guidance classes, group meetings, career conferences, and special films, they helped us to understand ourselves and directed us the right way.

Mr. Beckley lends a helping hand.

Mr. Shank shows these girls some fundamentals of the car.

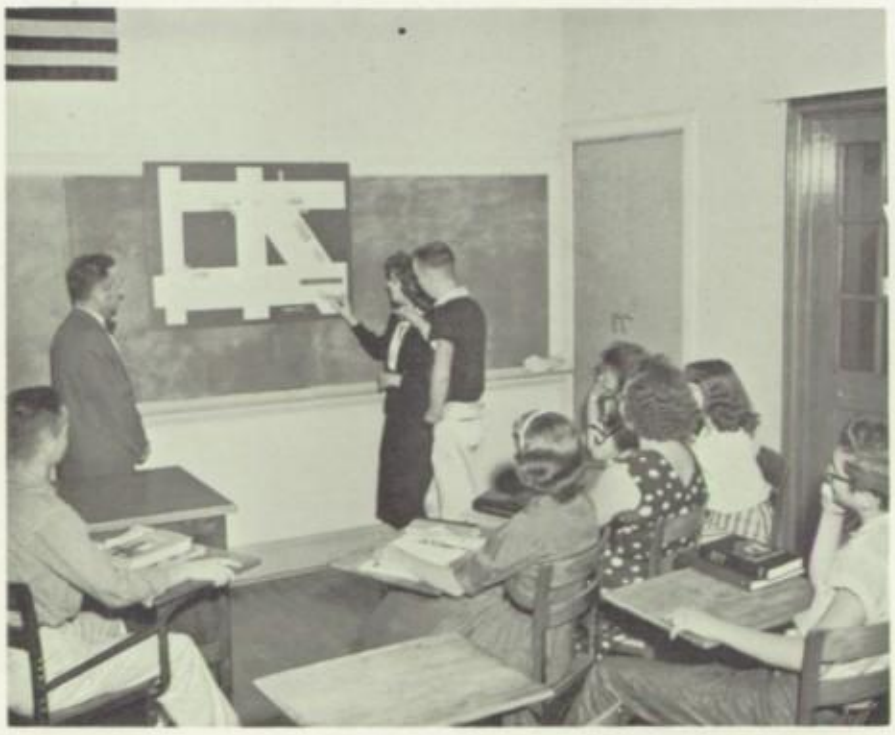
DRIVER EDUCATION

With the great number of automobiles and automobile accidents on American roads goes a greater need for experienced drivers who have been trained in highway safety. The driver education course offered at Conemaugh Township High School instructs students in the correct attitudes and skills of driving.

The course includes class room instruction and behind-the-wheel training. The reward for taking the course is not only receiving a license, but also gaining a knowledge of highway safety, which may be used in saving lives.

The driver education course is one that many have found worthwhile not only because it teaches the fundamentals of driving, but because it teaches the rights of the other person.

Classroom instruction is an important part of driver education.



Mona Kay McDaniel and Bonnie Steele look over a health chart.

HEALTH & GYM

Do you know how to act on a date? Students discuss and try to solve problems like these in health class. One of the biggest debates of the year is on the advantages and disadvantages of going steady. Besides discussing dating problems students learn about family living and the general rules of physical and mental hygiene. First aid is also taught in coordination with the health program.

Physical Education is a class almost all students enjoy. In gym class students participate in sports, all kinds of games, tumbling, stunts, and dancing. But gym class is more than just fun. It gives students the opportunity to learn co-operation, good sportsmanship, and develop a sense of fair play which is important in all walks of life.

Your physical fitness depends a lot on your exercise.

BOOK II–FRIENDSHIP

CLA

At the end of each year when the Seniors graduate the school seems a little empty. But the emptiness is dispelled at the beginning of a new term when a group of students, both old and new, enter school and old friendships are renewed and new ones created. Some friendships made in school continue through life while others are lost forever. But one thing is certain; we will always remember the friends we made in high school.

"SIX YEARS TO REMEMBER"

T'was in the year of 1953
That this adventure of ours came to be.

We all were filled with hopes of things to come.
We wanted education plus some fun.

Then in grade nine our spirits never fell,
For all our magazines sold very well.

The Christmas Dance we held one winter night
Was lovely as the sky filled with "Starlight."

Our Junior Prom was the next thing in line.
The theme of "Spanish Gardens" was just fine.

Then in our twelfth year we were quite busy,
So much, in fact, we were really dizzy.

As now we say farewell to everyone,
We pray to God that troubles will be none.

CLASS

At last we've made it. We're finally seniors!!!

Let us reminisce on the highlights of our most precious memories. In September, 1953, we became a part of a large group of students, and the size of the classes was novel to us. Entrance into the eighth grade was marked by becoming familiar with the school, students and activities.

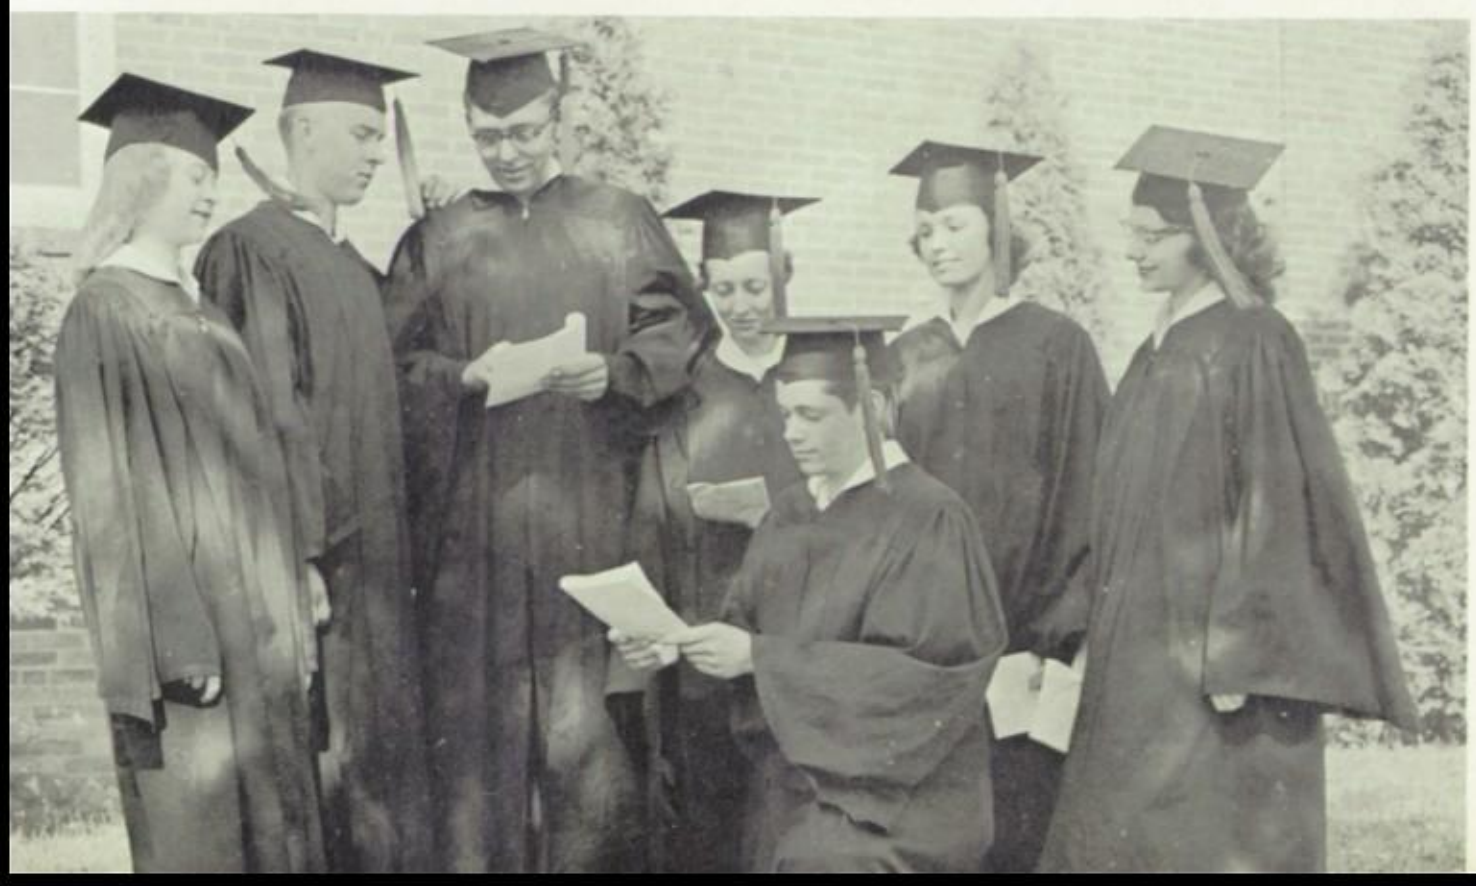
In ninth grade we became officially organized, and those we chose to lead us were: President—Donald Figard, Vice-president—Frances Younkin, Secretary—Pat Kelly, and Treasurer—Richard Blough. The traditional magazine campaign resulted in financial success for our class.

As sophomores we sponsored the annual Christmas Dance. The theme was "Starlight." Our officers were: President—Bill Brougher, Vice-president—Frances Younkin, Secretary—Imogene Berkey, and Treasurer—Richard Blough. Marlene Marone chosen sophomore valentine princess.

We then entered the eleventh grade. By selling Christmas candy we earned enough money for the year's activities. In May of this year our prom, "Spanish Gardens", was held. The officers were: President—Mike Demko, Vice-president—Frances Younkin, Secretary—Imogene Berkey, and Treasurer—Richard Blough. Richard Blough received the Outstanding Junior Award. Nancy Haas was chosen junior valentine princess.

Entrance into the twelfth grade marked the summit of our high school career. We chose the following to lead us: Mike Demko—President, Bill Brougher—Vice-president, Imogene Berkey—Secretary, and Richard Blough—Treasurer. Frances Younkin and Kena Fasola were chosen editors of the CONTOWNIAN and CONNUMACH respectively. Our class held the Valentine Dance, and the queen was Bonnie Page. The Somerset County Maple Queen Contest had Carmella Arcail as our representative.

It is now our duty to prepare for the future by using our high school years as a basis for learning and living in a complex world.



The seniors look over the commencement program.

HISTORY

"MOST"

Most Likely To Succeed—Richard Blough and Frances Younkin.

Most Talented—Robert Charley and Patti Oranchak.

Friendliest—Carmella Arcail and Fred Young.

Best All Around—Carmella Arcail and Bob Foreback.

Most Athletic—John Rycyk and Gary Kaltenbaugh.

Most Studious—Nancy Haas and Richard Blough.

Most Humorous—Tom Baroni and Mary Ann McTonic.

INFORMAL SNAPS

Those unsleeping slumber parties.

Ah, isn't she sweet?

Just who is this fellow?

Going somewhere?

Crazy — mixed up — that's for sure!!!!!

Is that a coke?????

Cute and handsome!

What's so funny, fellows?

Little devils!!!!

President — Calvin Thomas, Vice President — Dennis Thomas, Secretary — Mary Reckner, Treasurer — Eleanor Simchock, Deans — Miss Kaufman and Mr. Majer.

JUNIOR CLASS

The Junior Class, with only one more year to go, stands next in line to complete its collection of high school memories. Under the guidance of Miss Kaufman and Mr. Majer, class deans, and the class officers, the Juniors have proved themselves not only ready and willing, but also able to take over. Their Christmas candy sale was a success, as was their class play and Junior-Senior Prom.

SNAPSHOTS

After the play was over ———!!

Barb and Bev quite a few years ago.

Isn't that coat a little small, Rich?

SNAPSHOTS

"Oh, Ernest, your arms are so strong!"

There's nothing like going up the steps backwards; just ask Bill.

What are Karen and Johnny doing?

Wow, look at Fran.

WOW!

"Mothers' Angels"

"I saw it!"

The seniors left their mark on Mr. Vizzini.

What a football team! Twelve players???

Those good old camping trips.

BOOK II–FRIENDSHIP

ACTIV

An important part of every student's life at Conemaugh Township High School is the extra-curricular activities he or she participates in. Our high school offers activities which not only are for pure enjoyment but also very beneficial to those who are active in them. Those who join in these activities find hard work awaiting but also find that valuable friendships have been created that will last through life.

Conemaugh Township High School's goal is to see that the students who graduate from this institution of higher learning will be able to perform the duties of the citizens of tomorrow.

The typing and headcutting staffs hard at work.

These hard-working people are the sports, feature, and news writing staff.

The CONTOWNIAN is our weekly school paper published by students who have maintained a B average in English.

Although much work is involved by staff members in meeting the Friday afternoon deadline, they sometimes get together for a coke and "bull session" to talk shop. At these times such words as "goop", "dummy", "472 stylus" are used.

Staff members go to a few conferences during the year to exchange journalistic ideas with others.

The social event of the year is the banquet where the new staff is announced, and the old members bow out.

Senior editors and members are: Editor—Frances Younkin, News Editor—Evelyn Jurestovsky, Feature Editor—Donna Stock, Sports-Co-Editors—Richard Blough and Milo DeArmey, Typing Editor—Donna Baroni, Headline Editor—Nancy Hass, Vocational Editor—Kay Liska, Circulation Manager—Eleanor Holsopple, Staff Members—Marlene Marone, Carol Schmidt, Ethel Cagley, Sandy Wagner, Helen Baraniak, Kena Fasola, Ruby Saylor, Imogene Berkey, Patti Oranchak, and Loretta Eori.

Cast

The following is the cast:

Kate Stafford	Evelyn Jurestovsky
Madge Beverly	Janet Long
Tillie Thisby	Donna Baroni
Ernest Nelson	Milo DeArmey
Evelyn Kent	Connie Thomas
Natalie Wheeler	Carmella Arcail
Dickson Taylor	Bob Foreback
Archie Ward	Andy Marcinko
Peggy Maxwell	Pat Oranchak
Edwina Clifton	Loretta Eori
Carter Marlowe	Mike Demko
Mrs. Beverley	Sandra Gindlesperger
La Belle Lola	Beverly Baer

The play was directed by Mr. Vizzini and student director, Kena Fasola.

"So you forgot to send the telegram, Ernest," says Wallace as he gives Ernest a push!

SENIOR PLAY

The setting of the senior class play, "Along Came Peggy" is a smartly-furnished, ultra-modern room in a New York apartment building. The apartment is occupied by Wallace Black played by Bill Brougher. Wallace is a writer who receives financial aid from his rich aunt, Kate Stafford. It seems that Wally is somewhat of a ladys' man, and the eternal triangle enters into the play making it confusing and amusing. The antics of Wallace's servants also add to the humor of the play.

Director, James Vizzini, and Student Director, Kena Fasola.

"A girl," exclaims Aunt Kate. "Yea, what kind of a girl?" says Dickson.

Cast

The characters in the play were:

Mrs. Inez Cameron	Evelyn Jurestovsky
Mr. Will Cameron	Milo DeArmey
Virgie Cameron	Imogene Berkey
Patti Cameron	Donna Baroni
Steve Cameron	Mike Demko
Mrs. Sorenson	Ethel Cagley
Willie Williams	Bill Brougher
Mary Alice Smith	Carmella Arcail
Clara Curtis	Janet Long
Lt. Shirley Anderson	Pat Oranchak
Ed Smith	Bob Foreback

The play was directed by Mr. Vizzini and Mr. Paxton. The student director was Frances Younkin.

JUNIOR PLAY

The highest rewards a marine can receive are discharge papers and the thought of returning to a nice, quiet home life. But not so in the Junior Class Play. The marine, Steve Cameron, comes home to find his mother plotting a marriage for him to his long-time sweetheart, Clara Curtis, but Steve has other plans which include a navy nurse.

Hmmmm, this looks interesting.

Steve's welcome home dinner.

Directors, Mr. John Paxton and Mr. James Vizzini, and Student Director, Frances Younkin.

The entire Senior High Student Council.

The Senior High Student Council Officers—Patti Oranchak, Eleanor Simchock, Imogene Berkey, Robert Foreback, Dennis Thomas, Kena Fasola, Evelyn Jurestovsky, and Frances Younkin.

STUDENT COUNCIL

The Student Council is the representative body of the high school and it helps to oversee student activities. Student Council tries to help better our school by the many services and duties it performs. The Council is made up of two governing bodies—the junior high and the senior high. Each body holds its own elections and projects.

Senior High—This council's main purpose is to get students to help in the school government. Each year this council decorates the school at Christmas time and has the special duty of seeing that the bulletin boards in the school are filled with up-to-date information. Mrs. Wonder and Mr. Vizzini are the capable advisors of these groups.

Junior High—The main purpose of this council is to teach junior high students the proper ways to conduct a meeting and carry out business. These students will then be better able to be the Senior High Student Council.

Mrs. Kathaleen Wonder and Mr. James Vizzini —Senior High Student Council and Junior High Student Council Advisors respectively.

The Junior High Student Council Officers—Susan Alwine, Michaelene Oranchak, Judy Cagley, David Podrasky, John Yoder, Laura Hart, Andrea Lapp, and Mary Carol Ketchock.

The entire Junior High Student Council.

ALPHA Y-TEENS

This is another very active organization in our high school. They sponsored record hops, prepared baskets for needy families and also helped with many other worth-while projects during this year. Carmella Arcail, Barbara Schullery, Linda Lappi, Karen Keim, and Beverly Bear, served as the officers of president, vice president, secretary, treasurer, program chairman, respectively. Mrs. Popyk is sponsor of this group.

NATIONAL HONOR SOCIETY

The highest honor a student of Conemaugh Township High School may achieve is membership in the Connumach Chapter of the National Honor Society. Membership can be attained only by juniors and seniors. Installation services were held in November for the new members. The students were selected on the basis of service, leadership, outstanding scholarship and character. Membership is limited to fifteen per cent of the senior class and ten per cent of the junior class. Membership in this organization is a worth-while goal for any student at C.T.H.S.

The officers of the National Honor Society are: President, Richard Blough; Vice-President, Donna Stock; Secretary, Nancy Haas; Treasurer, Kathleen Eash; Historian, Helen Baraniak; Assistant Secretary-Treasurer, Imogene Berkey. The advisor of the group is Mrs. Wonder.

BETA Y-TEENS

This is the junior group of Y-Teens. President—Patsy Yoder, vice president—Carol Berzonski, secretary—Ellen Peterson, treasurer—Rosalind Gordon all worked hard to make this a successful year for the club. Among their many projects this year was the sending of food baskets to needy families at Thanksgiving. Mrs. Shirk is sponsor of the group.

SCHOOL STORE

The school store's purpose is to sell milk, cakes, cookies, potato chips and cokes, at lunch time to students of C.T.H.S. The school store is open each day at noon and during all home basketball games. These familiar faces can also be seen at the home football games, selling articles at the concession stand. At the end of the year, the store's profits are divided among the many organizations of our school.

FUTURE TEACHERS

This club, under the direction of the advisor, Miss Will and president, Frances Younkin, saw a very successful year. They try to uphold the motto, "Knowledge is Wealth." These members might well be teaching your children in future years. This club is one of the most active ones in our high school. It combined hard work and seriousness with fun and good humor for the year of "59."

These members help in pre-school registration at the grade schools. They also attend the County FTA Conference each year. Other officers are: vice president—Calvin Thomas, secretary—Donna Baroni, treasurer—Walter Ostapiak.

SCHOOL BANK

"Click-clack"—"hand me a check"—"make this deposit"—"figure out this balance"—these are familiar sounds to the members of the school bank. The bank handles the money belonging to the grade school and the extra-curricular organizations of the high school. The bank is open during the sixth periods and the personnel is made up of five seniors and juniors. Mr. Beckley is the able advisor. Each spring, sophomores are chosen to take the place of the outgoing seniors.

FUTURE HOMEMAKERS

The Senior Future Homemakers of America is a national organization whose purpose is "to learn to live better today in order that our lives, and those of our families may be better tomorrow."

The club has many activities such as: submarine sandwich sales, record hops, charity work for children's homes and banquets.

The officers of the club are; President, Bonnie Steele; Vice President, Helen Cramer; Secretary, Sally McDaniel; Treasurer, Carol Tressler; Historian, Maretta Kaltenbaugh; Parliamentarian, Dorcas Reckner; Chairman of Activities, Anna Becker; Reporter, Doris Jacobs. The sponsor of the club is Mrs. Mishler.

The Senior Future Homemakers are pictured on page 23. The group pictured here is the Junior Future Homemakers.

FUTURE NURSES

Members of this club yearn to be America's future nurses. These girls work one period every week in the health room to give them experience in the duties that are required of a nurse.

These girls try to secure blood donors, plan field trips and make favors for children in hospitals. Officers are: president—Loretta Eori, vice president—Carmella Arcail, secretary—Jean Spangler, treasurer—Delores Minahan, historian —Doris Brown. Mrs. Foster is advisor of this club.

FUTURE FARMERS

Members of this club are taught such things as animal husbandry, truck farming, genetics, dairy farming, conservation and farm mechanics. These "ag" boys take care of the shrubbery and trees on our campus, and raise and sell various types of plants. Mr. Ifft is advisor of this group. Officers are as follows: president—Wayne Kauffman, vice president—Herman Rummel, secretary—Albert Smith, treasurer—Larry Kush, reporter—David Mishler, sentinel—Richard Sallay.

PUBLIC ADDRESS

Nancy Haas, Barbara Schullery and Walter Ostapiak are the hard-working students who make it possible for the Bible readings and announcements to be made every morning throughout the school year. Ten verses from the Bible and the daily announcements symbolize the P.A. Chaplain. A mechanically-minded boy must be present to work the numerous gauges and buttons so that each room receives the information clearly.

THESPIANS

Juniors and Seniors who have sufficient credits in dramatics may be eligible for membership in the Thespian Troupe 412 of Conemaugh Township High School. The Thespians present several plays during the year. They also participate in exchange assemblies. Awards are presented to the students outstanding in the field of dramatics. The members of this Troup really know what Hamlet meant when he said, "The play's the thing."

The officers of the club are: President, Milo DeArmey; Vice-President, Frances Younkin; Secretary, Ethel Cagley; Treasurer, Pat Oranchak; and Scribe, Evelyn Jurestovsky. The advisor of Thespians is Mrs. Kogut.

STAGE HANDS

These are our busy stage hands. They can be seen working hard on the stage during their study periods. These boys help out in all assemblies and plays that appear in our high school. Members are as follows: chief stage hand—Milo DeArmey, Albert Primavera, Steve Toth, Calvin Anderson, William Zadell, James Black, Dennis Kauffman, Joe Tamburini, John Bergman, Bill Chaplin, Elvin Davidhizer, and Frank Leput.

THESPIAN PLAYS

The cast of "A Case For Two Detectives"—*Row 1*—Carmella Arcail, Kena Fasola, Loretta Eori, Patti Oranchak, Mike Demko, Milo DeArmey, Bob Foreback. *Row 2*—Janet Long, Delores Minahan, Richard Blough, Ethel Cagley, Marlene Marone, Imogene Berkey, Shirley Marcinko, Jerry Lohr, James Black.

CHRISTMAS DANCE

Santa knows these couples are happy in his workshop.

Dancing and dreaming.

December 21, *1958*

Date – December 20, 1958, Place – Conemaugh Township High School gym. Affair–The annual Christmas Dance.

Since this was the first big dance of the year–it was long awaited by all. The theme "Santa's Workshop", was carried through by decorations made by the Sophomore Class. The main feature was a real live Santa Claus.

The music provided by Nicky and his Rhythm Boys was enjoyed by all.

Much time, effort and work went into this special night, but by the looks on all the happy couples' faces–The Sophomores probably agreed that it was well worth the time and trouble.

This couple can really step to "Nickie and His Rhythm Boys."

Intermission is an important part of every Christmas Dance.

As seen by these smiling faces, you can see that "Santa's Workshop" was quite a success.

8:00 to 11:00 P.M.

"The problem"—where to go after the dance—has this group puzzled.

VALENTINE DANCE

QUEEN BONNIE

Bonnie Page and Henry Tomko

Princess Theresa

Theresa Poeta and Robert Andrews

"Cupid's Cotillion" was the theme of the annual Valentine Dance held February 7, 1959. To enter the gym, couples had to pass through a large heart and thus enter into a world of cupids, valentines, and hearts.

The Jimmy Vespa band provided the music for this royal affair.

This dance was hard work and trouble for the seniors, but they all agree that it was well worth it.

The highlight of the dance was the coronation of the Queen and her attendants. They are as follows: queen, Bonnie Page; junior princess, Theresa Poeta; sophomore princess, Judy Manges. Escorts were Henry Tomko, Bob Andrews, and Lewis Metts.

Princess Judy

Judy Manges and Lewis Metts

Cupid did his work.

Dancing the hours away.

Unforgettable moments.

8:00 to 11:00 P.M.

JUNIOR-SENIOR PROM

The class officers take time out to converse.

"Spanish Gardens" was the theme of the Junior-Senior Prom held May 1958. Green vines entwined over white trellises, backed by a huge, grey stone wall dominated the scene. A gay-colored ceiling gave the dance a cheery atmosphere and set all couples in a happy mood. Music was by Sal Signorino. The dance lasted from 8 to 11 P.M.

The Juniors worked hard to present "Spanish Gardens," and the result was worth it. Most people left the dance a little fatigued, but many treasured memories were made and kept.

Sitting this one out.

Having fun in "Spanish Gardens."

Coming into the dance through a flowered entrance way.

Dancing to the music of Sal Signorino.

Time out for refreshment and chit-chat.

MAY 10, 1958

8:00 to 11:00 P.M.

Admiring the scenery.

BOOK III—SPORTSMANSHIP

SPO

The sports program at CTHS has been a successful and a happy part of the school life of every student.

There was always that thrill of victory after a close and hard fought battle. There was always, too, the bitter let down feeling after a loss.

We had a valuable lesson from these experiences. During our lifetime we won't win all the time—and that is as it should be. We were also taught to be proud in victory and gracious in defeat.

Athletics was an important part of our high school careers. We know now that *all* of the learning doesn't take place in the classroom.

As graduates, we will follow the progress of our teams and we will proudly proclaim our background and our heritage. We're proud of you, CTHS.

FOOTBALL

Coaches Edgar O'Connor, Donald O'Connor, Joe Majer, Trainer Walter Shank, and Co-Captains Gary Kaltenbaugh and Bob Foreback.

The Junior High Football Team. These boys will soon be the stars of the varsity squad.

OFFENSIVE TEAM—*Row 1*—Right end—Mike Demko, Right tackle—Jesse Shroyer, Left tackle—Jim Robertson, Right guard—Bob Foreback, Center—Bill Brougher, Left guard—Tom Baroni, Left end—Henry Tomko. *Row 2*—Right halfback, John Rycyk, Fullback—Gary Kaltenbaugh, Quarterback—Nick Brenchak, Left halfback—Jim Clement.

Hard work, good times, close friends, and the competition that goes with a close game—how can we better describe our 1959 football season?

As in the past, the football season really began with training camp. Those calisthenics were murder, and some of those drills under a hot sun—well, we'll let you use your imagination about them. We enjoyed everything about camp. The "chow" was good, and the nightly horse-play kept things humming.

After camp during the regular practice sessions under acting head coach, Joe Majer, we began to rub off the rough edges and we were really tuned down fine by the time of our first game. It proved a romp as Northern Cambria was really no match for us. We won 34-7.

The first game aftermath disclosed the usual number of bruises, sprains and charley-horses, but the ensuing week of practice put us at full strength and again we had a romp. Our victim this time—Boswell. Score 39-6.

Our third game, with Ferndale, was one of those make-up-for-last-year affairs. Remember they tied us 0-0. This was our night to howl. We won 34-6.

On Friday night, October 3, we met Ebensburg. They are always a tough club and we both came up to this one undefeated. We beat them on their field by a score of 14-0.

The next opponent, Westmont, had one of their best teams in years, but we were able to bring back a win. Score 20-14.

We were away from home again, the third week in a row. This time it was the traditional rough, tough game at Windber. We laid a five-in-a-row record on the line. It was a beautiful night but a sad one. We lost our only game. Well, you cant win 'em all. Final score—Windber 32, CTHS 20.

There was bound to be a let down after dropping our first one. Coach Majer used the old psychology though, and we were ready for DuBois. We won 12-6.

Adams was next. They hadn't been going very well and we had to fight hard against complacency. It doesn't pay to read your own clippings. We took them 20-7.

On November 7, at home we took on rival, Shade. They had a bad year, however, and we won with ease. Final score 39-6.

The last game of the season was with Somerset. On our field we really hit our peak. We played our best and won 34-14.

And so it was all over. Looking back it is hard to remember where the season went. It is easy to remember it as a good one, though. A nine and one record is something to be really proud of. We *are* proud, proud of our entire team and coaching staff, proud, too, of the seventeen seniors who wound up their football careers at good old CTHS.

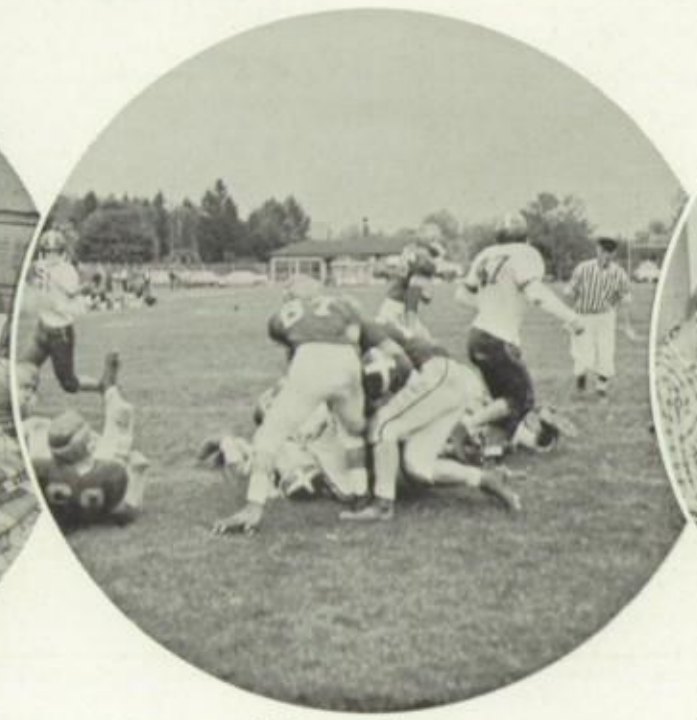
Football is traditionally winning seasons at the home of the Indians. We like to feel now that we added a small measure to the heritage of our school.

DEFENSIVE TEAM—*Row 1*—Right end—Gary Fulton, Right tackle—Jim Robertson, Middle guard—Tom Baroni, Left tackle—Bob Hawkins, Left end—Henry Tomko. *Row 2*—Right line backer—Jim Clement, Middle line backer—Ray Dabbs, Middle line backer—Bob Foreback, Left line backer—Bill Brougher. *Row 3*—Safety men—John Rycyk, Lee Naugle.

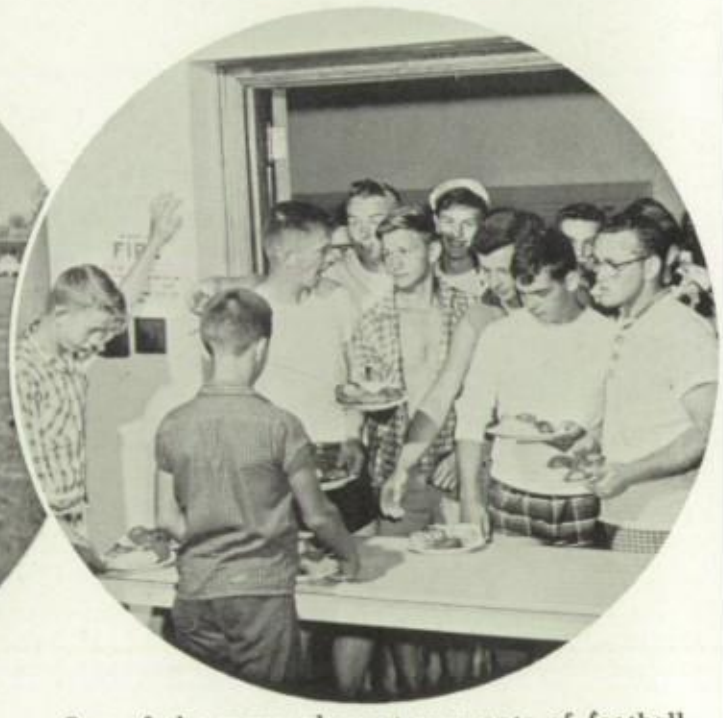
A pep talk by Co-captains Bob Foreback and Gary Kaltenbaugh.

"Play that one."

Sleeping was just the beginning of the horse play that was to come.



Quite a pile-up.



One of the more pleasant moments of football camp.

BASKETBALL TEAM—*Row 1*—John Marone, Lewis Metts, Mike Kramer—Manager, Willis Hershberger, Colin Wingard. *Row 2*—Milo DeArmey, Fred Young, Henry Tomko, Coach Majer, Bob Foreback, Rico Flaim, Bob Andrews.

BASKETBALL

The two mid-winter sports are seemingly losing their spectator appeal. There is nothing more disconcerting than to lose the support of your friends and classmates. It's much more difficult to be a participant in a sport that receives criticism than it is to be a member of a winning team.

For this reason, we who are graduating, wish to pay a special tribute to the athletes and coaches who were concerned with wrestling and basketball at CTHS during this, our senior year. Perhaps it wasn't one of those big years—there isn't any school that has that big one all of the time.

This then, is not an editorial, but it is a form of recognition to those young men who are our friends—the wrestlers and basketball players. We hope that those who are to follow us will regain that important something that of late has been disappearing—*School Spirit.*

JUNIOR VARSITY BASKETBALL TEAM—*Row 1*—John Payne, Marlin Rose, Philip Leone, James Payne, Lewis Metts, Walter Ostapiak. *Row 2*—Robert Fuller, Charles Liska, George Phillips, Coach Majer, Francis Sakmar, John Marone, Colin Wingard.

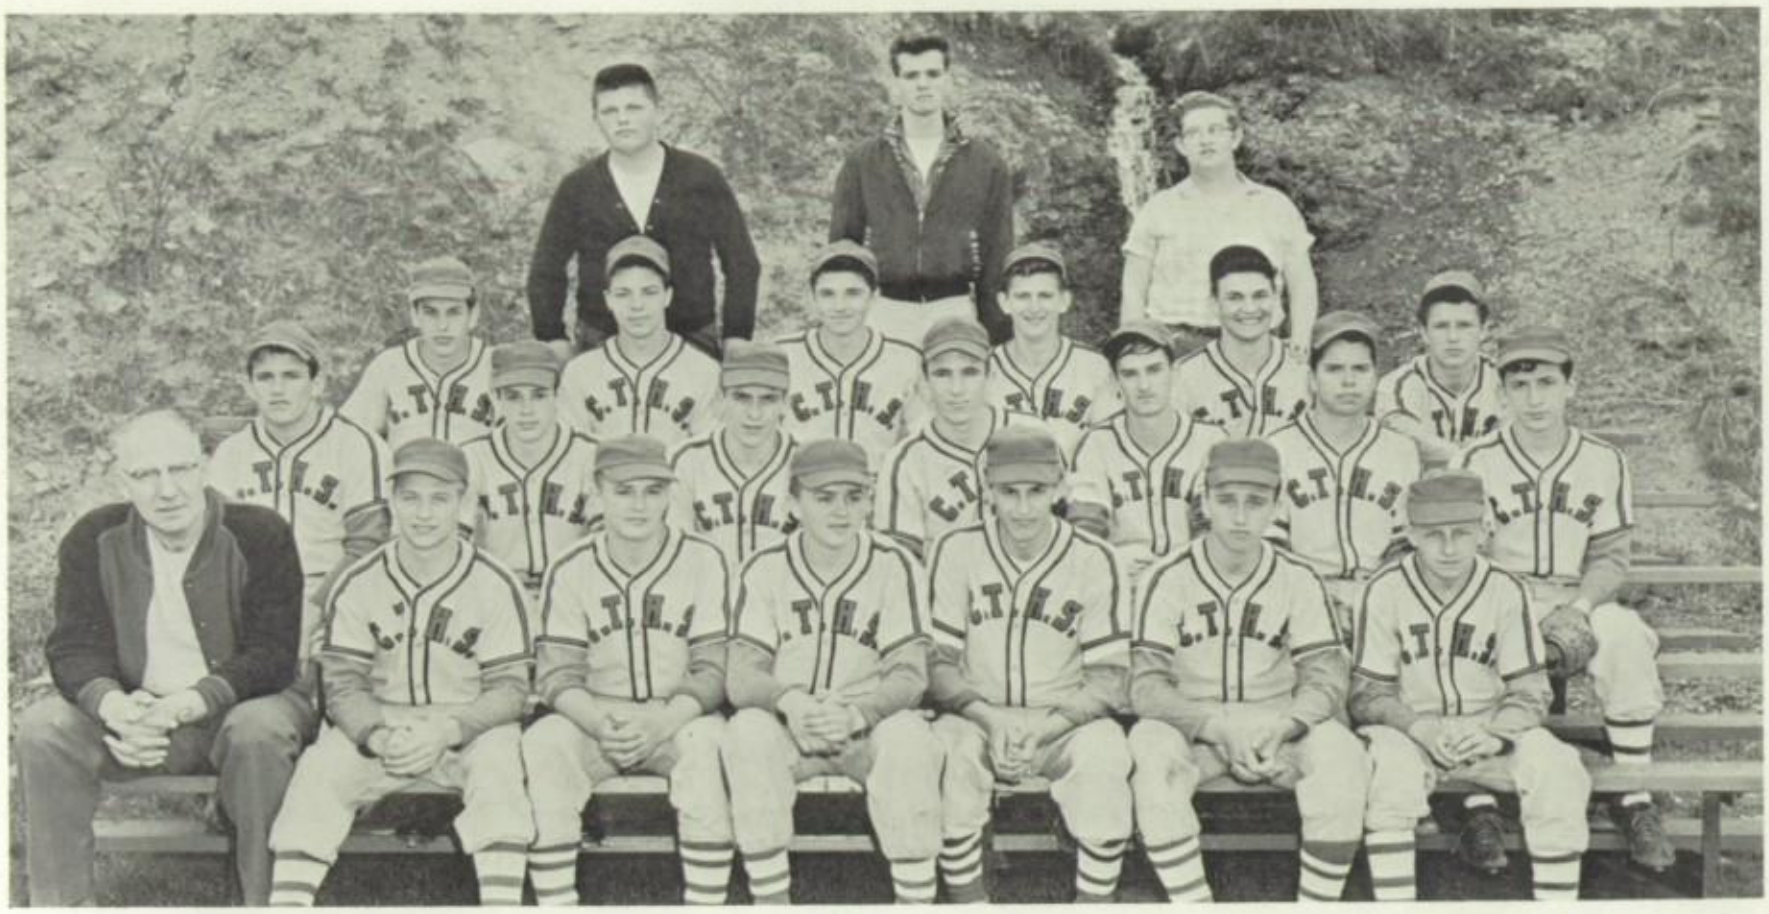
BASEBALL



BASEBALL TEAM—*Row 1*—Coach Shank, Dwight Gindlesperger, Calvin Thomas, Frank Grandas, Spurgeon Brenchak, Philip Leone, Steve Dill. *Row 2*—Tim Harmon, Bill Brougher, Rico Flaim, Pat Shubic, Fred Blough, Fred Tasin, John Marone. *Row 3*—Nick Brenchak, Walter Starvis, Joe Yunetz, Bob Phillips, Jerry Petro, Bob Foreback. *Row 4*—Don Wojtaszek, Marlin Yost, Jay Stevens.

Coach Walter Shank

Co-operation of the weatherman, hard work of the players, and excellent coaching combined to make a successful season for the diamondmen of Conemaugh Township. The Shankmen started off the season by setting down Cresson 2-1. Central Cambria became the second victim with a 9-1 victory for the Indians. Nanty-Glo was the next foe of the Indians, but proved too powerful for the Tribemens' bats.

The Indians then downed Portage, Windber, and Adams to add three more scalps to their collection. Richland and Westmont finished out the season by pinning two losses on the local nine. Although we may never turn out any baseball greats such as Mickey Mantel or Leo Durocher, the boys can still be proud of their 5-3 record.

TRACK

TRACK TEAM—*Row 1*—Walter Ostapiak, Lee Naugle, Wallace Boyd, Louis Burinda, Jim Robertson, Tom Baroni, Henry Tomko, Lewis Metts, David Yoder. *Row 2*—Donald Meyers, Dennis Thomas, Mike Litzinger, John Rycyk, Jerry Petro, Francis Sakmar, Mike Demko, Gary Kaltenbaugh, Gary Fulton, Joe Golembeski, Jack Kopp, Coach Kogut.

Under the direction of Coach George Kogut, the men of the track competed in six events. The season opened with the Annual Coaches' Meet at Cochran Junior High School. The CTHS track team placed ninth in their first outing. The Kogutmen next took part in the Junior Pitt field and track event and again took ninth place.

A fifth place medal was rewarded to Tribesmen in the Mountain Conference event, followed by eighth place honors in the Tri-County competition. The last big event in which the Indians took part was the District 5 meet with four teams competing for high honors. The men of the wigwam managed to come out with third place rewards.

The last event of the season was the Penn State meet. Lee Naugle was the only Indian who became eligible for state competition.

Seniors are Demko, Fulton, Baroni, Robertson, Rycyk, Kaltenbaugh, Yoder, Tomko and Naugle.

These Indian squaws are doing the traditional war dance.

The cheerleaders watch the basketball game with interest.

Under the direction of Mrs. Ickes, and the Co-Captains, Imogene Berkey and Janice Heinrich, the cheerleaders had an active and successful year. These young lasses were always behind the boys cheering them on. Winning or losing, every minute of every game, they gave only their very best. They also participated in the annual cheering contest held at the Cambria County War Memorial. Hard work, mixed with a lot of fun, comprised the efforts of these girls. They will deserve any credit or praise given to them.
